Request for Maps

pls file

1. USAGE has requested a series of maps covering the Austrian-Hungarian border area in a scale of 1/25,000.

2. Can you obtain these maps in the scale requested? If not, USAGE can purchase them for about 1400 Austrian schillings.

3. Pullach's original request was dated 24 July 1951; we attempted to fill it by obtaining the maps from USAFE or EUCOM. Although the latter does have a series in the scale 1/100,000, Pullach has advised us that only the scale requested will be satisfactory.

4. In view of the delay which has already occurred, we would appreciate being advised as soon as possible when we may expect to receive the maps requested.
